- ◆ AI & API Lifecycle Foundations
- ◆ API Economy & Integration Strategy
- ◆ Developer Experience
- ◆ Generative AI Business Strategy
- ◆ Technical Storytelling
- ◆ Data-Driven Decision Making
- ◆ Cross-Functional Stakeholder Leadership

Professional Experience

Postman (multiple roles)

2021 – Present

Commercial Sales Manager, North America (August 2025 - Present)

- **Program Leadership:** Managing North American GTM execution for Mid-Market and SMB segments; supporting cross-functional channel motions, developing written campaigns, visual decks, and proposals for maximum impact with technical prospects.
- **Talent Development Strategy:** Designed and implemented a scalable junior AE career progression program, standardizing training modules focusing on technical impact storytelling.
- **Sales Expertise:** Managing quarterly revenue operations for a \$1M quota, utilizing data to forecast risk and optimize territory coverage.

Sales Development Manager (GTM Lead), North America Corporate (March 2024 - August 2025)

- **Enablement Program Design:** Authored ADR Sales Playbooks and battle cards, standardizing the value messaging that generated ~180 executive meetings.
- **Organizational Scaling:** Managed the expansion of the North American ADR program from 4 to 13 representatives (+225%), successfully mentoring 6 individuals into senior roles.
- **Process Engineering:** Led the strategic transition to specialized Inbound/Outbound functions, resulting in a 47% lift in average deal size and streamlined lead inquiry workflows for greenfield accounts.
- **Tech Stack Optimization:** Spearheaded the rollout of new sales infrastructure (Gong Engage, Qualified), collaborating with cross-functional teams to ensure technical alignment and standardize best practices.

Corporate Account Executive (December 2021 - March 2024)

- Mentored peers on technical selling motions and represented Postman as a speaker at a local API conference, presenting on the State of the API report
- Pioneered first upsell motion and developed comprehensive outbound sales strategies within this segment
- Managed a book of business with over 350 accounts globally based accounts
- Impacted over \$1M in ARR

Stoplight (multiple roles)

2019 – 2021

Highlights

- **Strategic Enablement:** Served as the internal Subject Matter Expert for API Design Principles and Regulations (Open Banking, FHIR), effectively acting as interim technical leadership following VP departures.
- **Onboarding Architecture:** Developed and deployed the company's comprehensive sales onboarding program, creating lead routing matrices and proposal templates to accelerate time-to-productivity for new hires.
- **Strategic Account Management:** Managed key Fortune 50 relationships, closing \$1.14M in total ARR through complex multi-stakeholder negotiations.

Senior Account Executive & Strategic SME (April 2021 – November 2021)

- Managed key strategic accounts including Fortune 50 accounts
- Technical Subject Matter Expert supporting onboarding and enablement across the sales team

Founding Account Executive (November 2020 – April 2021)

- Developed onboarding program for sales team new hires by providing training sessions to ensure product-market fit understanding and alignment to team growth initiatives. Focus on: API Design Principles, API Regulations (Open Banking, FHIR, PCI)
- Defined messaging for API Design solutions, positioning the product against legacy competitors

Founding Sales Development Representative (December 2019 – November 2020)

- Developed and implemented lead routing matrix to streamline time allocation and sales efficiency
- Streamlined full-cycle sales processes for SMBs to maximize revenue and customer acquisition

Aceable (multiple roles)

2015 – 2019

Business Strategy Associate (August 2018 - October 2019)

- Managed end-to-end negotiation for a \$25M strategic alliance with Kaplan, defining the multi-year co-sell structure, revenue rev-share, and joint GTM roadmap
- Founded high school partnership program that increased overall company revenue by 3% and expanded the target addressable market

Customer Experience Growth & Training Lead (August 2015 - August 2018)

- Reduced new hire training ramp time from 3 months to 3 weeks, a 75% improvement, by overhauling the onboarding program
- Spearheaded the migration of the entire Customer Experience team from Salesforce to Zendesk and established the company's first internal knowledge base
